

11 August 2022,

Dear President and/or Representative of the Paediatric Orthopaedic National Society,

We trust this letter finds you well.

It is our pleasure to inform you that EPOS 41st Annual Meeting will take place from [29 March-1 April 2023](#), at the ICE Krakow Congress Centre, in Krakow, Poland.

Our meeting this year doesn't only aim to educate and advance all aspects of Children's Orthopaedics, but also to engage and empower young paediatric orthopaedic surgeons.

In this light, EPOS Executive Committee is delighted to offer a free registration to a young scholar selected by your National Society.

EPOS Executive Committee has established the following rules:

Inclusion Criteria:

- <35 years of age at the EPOS Annual Meeting starting date
- Candidate working in Pediatric Orthopedics >50%
- Candidate never attended an EPOS Annual Meeting before

Prerequisites Selection Process:

In case of acceptance of this offer, EPOS would like the selected candidate to have the following prerequisites:

- Meet the inclusion criteria listed above
- The National Society shall offer an additional free support (travel or accommodation) with at least the same value of the [registration](#) offered by EPOS
- Authorship in a peer-reviewed publication in the field of Pediatric Orthopaedics is a preferential factor, but not obligatory
- The National Society is requested to share with EPOS the candidate's motivation letter and a copy of his/her CV (3 pages maximum; Times New Roman 12, with photo)
- Any additional criteria, defined by the National Society

Benefits of the Young EPOS Scholar:

- Registration in the Pre-Meeting Course and EPOS Annual Meeting, supported by EPOS
- Lunch with 2 EPOS Executive Committee Members and other young EPOS scholars before the Pre-Meeting Course
